

AmeriCorps Housing

Bend-Redmond Habitat provides subsidized housing to its active AmeriCorps members. Housing is in the form of small-scale duplex-buildings on our Quince Townhome project site in north Redmond. (1) private 1-bedroom, 1-bath unit is reserved for each AmeriCorps member, up to (4) members, and is available for the length of each respective AmeriCorps service year. The drawing below (left) reflects the layout of (1) duplex-building and its (2) 1-bedroom private units. The photo below (left) shows the front doors and covered patios. The site plan below (right) shows the overall layout of the Quince Townhome project site which includes (10) townhomes and (8) rental units; AmeriCorps housing are units boxed in red. Other units are rented to the local community. Townhomes are owned by Habitat Homeowners that have completed our homeownership program.

Each unit is a 553sf 1-bedroom, 1-bath unit with a complete kitchen, w/d, and a covered porch. Access to the unit is through a private entrance off a residential street. Parking is on the street. Mailboxes are located on-site.
